AUTHOR CONTRIBUTION FORM

TITLE OF THE MANUSCRIPT:
..................................................................................................
..................................................................................................

1. To be an author, a person must have made substantive contributions to the study by fulfilling at least 3 of the criteria presented in the following table.

2. It is mandatory for all authors to prepare the outline of the manuscript or to intellectually review or criticize the content of the manuscript.

3. It is of all authors’ responsibility to approve the final version of the article before publication.

4. All authors are to fulfill the conditions specified in the above-mentioned first 3 items.

5. Those who do not fulfill the specified number of contributions and conditions are to be mentioned in the final “Acknowledgements” section of the article.

6. The terms set forth herein have been arranged in accordance with the guidelines of the Council of Science Editors (CSE) and International Committee of Medical Journal Editors (ICMJE). For further details please see: http://www.councilscienceeditors.org/i4a/pages/index.cfm?pageid=3376 www.icmje.org/ethical_1author.html

CORRESPONDING AUTHOR: ....................................................................................................................................................................

SIGNATURE: ....................................................................................................................................................................

DATE: ....................................................................................................................................................................

This form should be signed by corresponding author and submitted during the initial submission with the rest of the manuscript files.
