

Curriculum vitae

Luciana Sassone graduated in dentistry from Rio de Janeiro State University (UERJ) in 1995. She is specialist in Endodontics (1996), Master (2000) and Ph.D. (2005) in Dentistry (Endodontics) by the same university. She also concluded a Postdoctoral Research Program at Guarulhos University (2016). She is currently working in the Department of Endodontics at UERJ since 2002. In 2018, she became the coordinator of the Post-graduate Program (MSc and Ph.D.) in Dentistry at UERJ. In 2020, she was appointed Full Professor of Endodontics in this department. She is an active member of the Brazilian Society of Dentistry Research (SBPqO). Dr. Sassone has published more than 70 articles in Brazilian and international peer-reviewed journals and has already received several grants from the Carlos Chagas Filho foundation, the public agency for research support in the State of Rio de Janeiro. She is an ad hoc reviewer of several international scientific journals. Dr. Sassone has given many lectures in Dental Meetings and worked in her private practice during nineteen years in Rio de Janeiro, Brazil.
