EDUCATION

PhD in Endodontics, Ain Shams University, 2018.

Research higher degree.

Thesis: Clinical outcomes and bacterial reduction of single-versus two-visit endodontic treatment using single file and multiple files instrumentation techniques.

Master's Degree of Dental Science (Endodontics), Cairo University, 2012.

Thesis: Evaluation of the failure of different nickel titanium rotary instruments in either rotary or reciprocating motion using single file technique for root canal preparation

Bachelor's Degree of Oral and Dental Medicine, Cairo University, 2006.

TEACHING EXPERIENCE

Lecturer of endodontics, The British University in Egypt, 2019- Present-.

Courses: undergraduates and postgraduates.

Assistant Lecturer of endodontics, The British University in Egypt, 2012- 2019.

Courses: undergraduates.

PUBLICATIONS

Impact of Canal Taper and Access Cavity Design on the Lifespan of an Endodontically Treated Mandibular Molar: A Finite Element Analysis.

J Endod 2021; 47:1472-1480.

An arithmetic crown-down dynamic tactile instrumentation technique: A case report of an S-shaped root canal.

J Endod 2021; 47:836-843.

The Life span of different nickel titanium rotary instruments in either rotary or reciprocating motion using single file root canal preparation technique.

Egyptian Dent J Vo l.58, 1877:1885, April 2012

PRESENTATIONS

Teachability, perspective, confidence, and procedural errors of ACDT compared to single-length technique among endodontic interns.

AAE22, 27th-30th April 2022, Phoenix, AZ, USA.

Do we really need to activate our irrigant?

6th Pan Arab Endodontic Conference. 23rd -25th January 2020, Marrakech.

Do we really need to activate our irrigant?

PanEndo, 10th – 13th December 2019, Cairo.

Do we really need to activate our irrigant?

19th ESE Biennial Congress, 11th – 14th September 2019, Vienna.

Postoperative pain after single visit root canal treatment using multiple rotary files and single reciprocating file instrumentation techniques in asymptomatic mandibular molars with necrotic pulps: a randomized control clinical trial.

Poster Presentation 19th ESE Biennial Congress, 11th – 14th September 2019, Vienna.

Single versus multiple-visit root canal treatment in teeth with asymptomatic apical periodontitis. A 1-year post treatment follow-up CBCT study.

ROOTS SUMMIT, June 28th - July 1st, 2018, Berlin.

Single versus multiple visit root canal treatment.

18th International Dental Congress. 22nd - 24th November 2017, Cairo.

Life span of different NiTi instruments in either rotary or reciprocating motion using single file root canal preparation technique.

16th International Dental Congress. 5th - 8th November 2015, Cairo.

PROFESSIONAL MEMBERSHIPS

- **Certified Member of the European Society of Endodontology.**
- **International Member of the American Association of Endodontics.**
- **Active Member of the Egyptian Association of Endodontics.**
- **Key Opinion Leader at Dentsply Sirona.**

REVIEWER

- **Reviewer for the European Journal of endodontics.**
- **Reviewer for the Journal of Endodontics.**

CLINICAL EXPERIENCES

Endodontist in several practices, clinical work includes:

- Diagnosis of different orofacial pain.
- Treatment of different pulp and periapical disease.
- Retreatment of failed endodontic treated teeth including root canal filling removal, post removal and retrieval of broken instruments.
- Endodontic surgical treatment as root end resection, retrograde filling, hemisectioning.
- Ability of proper interpretation of CBCT, command use of dental microscope.
- Standard operating procedure using rotary NiTi instruments, and warm vertical compaction techniques.

Clinically treated about treated more than 5000 root canal cases till date.

Work experience:

- **Endodontist (part-time)** at Dr. Rami Guiha Clinic. November 2012 till present.
- **Cofounder and Endodontist** at Kholy Dental Clinic. November 2011 till present.
- **Visitor Resident**, Endodontic Department, Faculty of Oral and Dental Medicine, Cairo University. December 2007- November 2008.

PERSONAL DATA

- **Date of Birth:** October 12th, 1983.
 - **Nationality:** Egyptian.
 - **Gender:** Male.
 - **Marital Status:** Married
 - **LinkedIn:** www.linkedin.com/in/mostkholy
